Cursive Writing: White Snow Bright Snow

White Snow, Bright Snow

*Softly, gently in the secret night,
Down from the North
came the quiet white
Drifting, sitting, silent flight,
Softly, gently, in the secret night.*

*White snow, bright snow,
smooth and deep.
Light snow, night snow,
quiet as sleep.
Down, down, without a sound:
Down, down to the
frozen ground.*

Cursive Writing: White Snow Bright Snow

*Covering roads and
hiding fences,
Sifting in cracks and
filling up trenches.
Millions of snowflakes,
tiny and light,
Softly, gently, in
the secret night.*
