

Name: \_\_\_\_\_ Date: \_\_\_\_\_

## Intensive Personal Pronouns:

An intensive pronoun is a self-pronoun that is used in reinforcement or in apposition to the word in the nominative or objective case. Say it! Write it! Repeat it!

I myself finished the project.

You yourself finished the test.

He himself led the way.

She herself baked the cake.

It itself ran dry.

We ourselves ate it all.

You yourselves need help.

They themselves did the work.
