Regular Verb List – A regular verb is a word that forms its simple past tense and past perfect participle by adding –d or –ed; such as love, loved, loved; help, helped, helped. Consonant-Vowel-Consonant (1-1-1; vcv; or 2-1-1) words need the last consonant doubled when an ending (suffix) beginning with a vowel is added. This preserves the short vowel sound of the previous syllable.
